1. Intuitive Design

For even greater consumer benefits and convenience

- ⊕ Handle ensures optimum shopping convenience.
- ⊕ Tamper-evident seal proves that the bucket has never been opened.
- ⊕ One size of lid fits all buckets.

2. Unique high-quality look

For even better marketing opportunities

- ⊕ Available on request with In-Mould-Labeling (IML).
- ⊕ Choose between tamper-evident lid or snap-on lid.
- ⊕ Sealable brim.

3. Outstanding machineability

For even greater cost reductions

- ⊕ Folding handle allows for secure labelling.
- ⊕ Standard base size enables differently sized buckets to be stacked safely.
- ⊕ External dimensions designed to correspond with Euro pallet: 24 buckets per layer.
- ⊕ Modular, space-saving design.

A successful family-owned company: Focusing on people.

Pöppelmann – a strong and reliable partner. Since 1949 the family-owned company Pöppelmann with 5 production sites and 550 injection moulding, thermoforming machines and extruders has proved itself to be a leading manufacturer in the plastic processing industry. In more than 90 countries the quality “made by Pöppelmann” is appreciated. More than 1,900 highly qualified employees stand for our success.

More than 1,900 Pöppelmann employees stand for productivity, quality and service.

Germany, Plant 3 (FAMAC®): Pöppelmann GmbH & Co. KG, Lohne

Our Pöppelmann FAMAC® business division develops and manufactures technical functional components and packagings for the food, pharmaceutical, cosmetics and medical industry. To this end, the introduction and implementation of a quality management pursuant to DIN EN ISO 9001:2008 and of a hygiene management system in accordance with the Codex Alimentarius has been certified by an independent institute.
