* Special colours and materials on request.

1. Intuitive Design

For even greater consumer benefits and convenience

- ⊕ The shape of the buckets and lids guides the consumer directly to the opening flap.
- ⊕ Large tamper-evident seal for convenient opening.
- ⊕ Tamper-evident closure or sealing film prove that the container has never been opened.
- ⊕ Handle for safe handling.

2. Unique high-quality look

For even better marketing opportunities

- ⊕ Available on request with In-Mould-Labeling (IML) on bucket or lid.
- ⊕ Choose between tamper-evident lid or snap-on lid.
- ⊕ Label design identifies opening flap.

3. Outstanding machineability

For even greater cost reductions

- ⊕ Container rim can be fitted with a peelable seal.
- ⊕ An anti-turn device for buckets and lids ensures correct alignment in the rods or repositories, as well as when putting lids on the buckets.
- ⊕ The round pails offer various closing options: tamper-evident lid, sealing or aluminium foils with snap-on lid.

A successful family-owned company: Focusing on people.

Pöppelmann – a strong and reliable partner. Since 1949 the family-owned company Pöppelmann with 5 production sites and 550 injection moulding, thermoforming machines and extruders has proved itself to be a leading manufacturer in the plastic processing industry. In more than 90 countries the quality “made by Pöppelmann” is appreciated. More than 1,900 highly qualified employees stand for our success.

More than 1,900 Pöppelmann employees stand for productivity, quality and service.

Germany, Plant 3 (FAMAC®): Pöppelmann GmbH & Co. KG, Lohne

Our Pöppelmann FAMAC® business division develops and manufactures technical functional components and packagings for the food, pharmaceutical, cosmetics and medical industry. To this end, the introduction and implementation of a quality management pursuant to DIN EN ISO 9001:2008 and of a hygiene management system in accordance with the Codex Alimentarius has been certified by an independent institute.
